Know the 10 Signs Early Detection Matters

A workshop presented by the Alzheimer's Association®

alzheimer's PS association®

Know the 10 signs

If you or someone you know is experiencing memory loss or behavioral changes, it's time to learn the facts. Early detection of Alzheimer's disease gives you a chance to begin drug therapy, enroll in clinical studies and plan for the future. This interactive workshop features video clips of people with Alzheimer's disease.
